

CABANA COLONY BOXING ACTIVITIES

Cabana Colony Youth Center's amateur boxing under the direction of Club 100 Charities sent 4 athletes (Janeth Suarez, Elliot Roldan, Jasiel Velazquez, Jermaine Randall) and 2 coaches (Afshin & Anita Motedaeiny) to compete in a Police Athletic League (PAL) Boxing Tournament held in Ft Myers last week. There were over 125 registered contestants with 98 of them being able to participate. We were not able to get a match for Janeth Suarez because there were no other female contestants in her weight class, but our other participants made us proud. This is a very new boxing program and Head Coach Afshin Motedaeiny was very proud of his boxer's performance. Amateur Boxing has often served as a vehicle for bringing America's youth into a constructive area of personal development. Confidence building, believing in one's inherent value and positive contribution has flourished in this type of atmosphere.
